CREDIT CARD AUTHORIZATION & PAYMENT
Due to changes in Healthcare Policy and increasing high-deductible Health Insurance plans, we have unfortunately experienced higher numbers of patients with unpaid medical bills. Therefore, we have implemented a new policy in which all patients are required to provide a credit card to be kept securely on file for future account balances. Please note that this does not change your existing rights with respect to the use of your card. You are still able to ask for investigation into your insurance company’s decision on a claim. Card numbers are stored securely off-site with our bank. Card numbers are not kept in our office. If you choose to not keep your card on file, there is a deposit required of $100 for **each visit**. This deposit will be used for any patient responsibility as per your insurance.

Co-pays will remain due at time of service as part of the contract between patient and insurance company. We will bill your insurance company(s) following your visit. They are required to send us and you a copy of the Explanation of Benefits letter detailing what amount was covered/paid by your insurance and what, if any, amount is owed by you, the patient. The card on your account will be charged as payment in full for any remaining balance not paid by insurance. You will receive receipts via email as long as we are provided with your email address (required). Transactions are run as credit, not debit, and are listed as “Purity Integrative Health and Wellness Center” or “Purity Health” on your statement. If you have any questions about this agreement, please contact our Billing office by phone at (425)338-2357. Initials _____
